the Cube only five hits, one of them being questionable, while St. Louis got the same number off Weimer.

Chicago did all of its run-getting in the first inning, and by a combination of two hits and a base on bails secured a run. Slagle flew out to Burke, and Casey, the next man up, drew a pass to lirst. A passed ball sent him to second, and then McCarthy rapped out a sharp single to center field. Tinker laid out another to right center, bringing Casey in. Evers went out from Nichols to Beckley.

Three batters in one inning was the most St. Louis could boast of in five of the first six innings. In the seventh, Shannon went out from Tinker to Williams. Then Smoot bunted to Moriarity, who made a quick, clean pick up of the ball, but threw it over Williams head.

Smoot went around to third, and came in on a single by Beckley.

A double play by Evers, Tinker and Williams retirred the side.

At the beginning of the eighth inning Burke hit an easy one to Moriarity, who threw wild, hitting the runner with the ball. Barclay went out from Weimers to Williams, and Grady rapped out a single to right field that brought Burke in with the winning run. Grady was caught between second and third on Nichols's hit, and Farreli struck out.

and Farrell struck out.

There was no chance for Chicago to even the score, and Nichols had Selee's batsmen at his mercy, and sent them out as regularly as they came to bat.

The St. Louis players gave a clever exhibition of the hit and run game in the seventh and eighth lunings, and by the trick of drawing the third baseman into

the field, a bunt once allowed a runner to steal third. CHICAGO.

AT BOXING TOURNEY.

Spectators Alarmed by Sudden Burst of Wind and Hail Which Strikes the Building.

High wind accompanying the storm which arose suddenly last evening nearly caused a stampede among the spectators at the amateur boxing hours in the Business Men's Gymnasium, the roar of the hail and gusts against the windows causing a portion of the crowd to break for the

Frank Boumgartner and Carl Borton had been swapping blows in a vigorous mix-up just before the storm arose and few among the crowd seemed to notice that the weather was threatening. In a lull in the dighting the wind rese to proportions which seemed a gale, and the hall commenced petiting away at the big windows on the sides of the ball.

Referee Joe Stewart also called to the spectators to sit down, and his orders were compiled with.

Uneasiness among the crowd was evident while the storm progressed, however, and many left the hall as soon as the disorder subsided. The rest remained and vitnessed some really good boxing in the various classes. One of the best bouts of the evening was that between Joe Lydon and Frank Plessner, which was wen handly by Lydon.
